

CHIEF *Collabo Collection*

INFO Much anticipated debut full-length by Swiss beatmaker **Chief**. With "Collabo collection", **Chief** delivers a groundbreaking collection of collaborations, made between 2005 and 2009, that showcase different facets of his genius beatmaking. Chief was born in Lausanne, Switzerland, where he grew up and still lives today. Countless music genres ranging from jazz or neo-soul to hip hop or electronica can be cited as influences on Chief's music, yet his productions strongly retain their unique identity.

Over the latest years, **Chief** supplied beats to a wide range of artists, including gold selling R&B female duo **Les Nubians**, ex-**Swollen Members** leader **Moka Only**, genius rapper **Blu**, rising star **Kissey Asplund**, hip-hop master **John Robinson**, **Dj Spinna's** protégé **Dynas**, **Deep Rooted's Just Brea**, **Jhaz Brown (Sene & Prefyx)**..... **Chief** also entirely produced several albums, such as "Are the Groove" with Maryland rapper **Kay Dee aka K-Skills**, and a couple of albums with Brooklyn-based rapper **Sene**, including "Garbage Pail Kids", that was released on **Shaman Work**.

"Collabo Collection" consists of tracks made over the latest years, in collaboration with various emcees and singers. Although these recordings were made between 2005 and 2009, the majority of them were previously unreleased and can now be heard exclusively on "Collabo Collection". From downtempo hybrid beats, to atmospheric urban soundscapes or sophisticated soulful beats, the album showcases different moods while retaining Chief's unique flavour throughout all twenty-one tracks on "Collabo Collection".

A must have release, offering a deeper insight into one of today's beatmaking growing talents, and a chance to own brand new and exclusive material from the hottest and the most promising urban artists of the moment.
